NEW YORK UNIVERSITY
DEPARTMENT OF PSYCHOLOGY

PAID STUDY -- Must be 18 years or older.

Name of study: Affective Decision Making

Purpose of study: This is a TWO day study that examines how we learn to associate neutral and aversive events.

Name of experimenter: Joseph Dunsmoor

Name of faculty supervisor: Dr. Elizabeth Phelps

Location of study: Meyer Building, 6 Washington Place, Room 890

Specific requirements, e.g.,

Eligible participants are 18 to 35 years old, psychologically healthy, and NOT taking psychoactive medication. You must NOT have participated in a shock study within the last year.

Type of activity, e.g.,

Viewing stimuli on a screen, non-invasive physiological recording (skin conductance), receiving mild electrical shocks on the wrist, and fill out questionnaires.

Approximate length of time:

60 minutes on Day 1 and 60 minutes on Day 2. Day 2 occurs 24 hours following Day 1. It is critical that participants are able to make the experiments at the same time two days in a row.

Remuneration: You will be paid $30 total for your participation at the end of Day 2.
