NEW YORK UNIVERSITY
DEPARTMENT OF PSYCHOLOGY

PAID STUDY -- Must be 18 years or older.

Name of study: Affective Learning – fMRI study

Purpose of study: This is a two-day study. Day 1 and Day 2 must be two consecutive days.
Both days are MRI experiments that last approximately 1 hour each.

Name of experimenter: Joseph Dunsmoor

Name of faculty supervisor: Dr. Elizabeth Phelps

Location of study: Meyer Building, 6 Washington Place, Room 890

Specific requirements, e.g.,

Eligible participants are over 18, psychologically healthy, NOT taking psychoactive
medication, normal vision, no metallic parts in the body, no claustrophobia. Women
must not be pregnant. Availability to come for a screening session before the two-
day study.

You must NOT have participated in another shock study within the last 6 months.

Type of activity, e.g.,

Viewing stimuli on a screen, non-invasive physiological recording (skin
conductance), receiving mild electrical shocks on the wrist, and fill out
questionnaires.

Approximate length of time: 1 hour on each day

Remuneration: You will be paid $60 total for your participation.
