

NEW YORK UNIVERSITY
DEPARTMENT OF PSYCHOLOGY

PAID STUDY -- Must be 18 years or older.

Name of study: Affective Learning

Purpose of study: This is a 2-day study that examines learning and emotional responses.

Name of experimenter: Emily Boeke

Name of faculty supervisor: Dr. Elizabeth Phelps

Location of study: Meyer Building, 6 Washington Place, Room 890

Specific requirements:

Must be 18-35 years old; healthy; no psychiatric or neurological disorders or medications; fluent in English; no studies involving shock in the last 6 months.

Type of activity:

You will view stimuli on a screen, press buttons, and receive mild electrical shocks on your wrist.

We will record your skin conductance and eye movements. You will also fill out some questionnaires.

Approximate length of time: This is a 2 day study. Days 1 and 2 must occur exactly one day apart. Each day will last .5-1 hour.

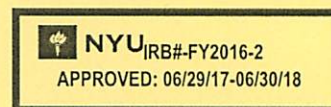

Remuneration: On completion of the second day of the experiment, you will be paid \$20 per hour spent.
