NEW YORK UNIVERSITY
DEPARTMENT OF PSYCHOLOGY

PAID STUDY -- Must be 18 years or older.

Name of study: Emotion and Persistence

Purpose of study: To investigate how emotion affects decision-making

Name of experimenter: Karolina Lempert

Name of faculty supervisor: Dr. Elizabeth Phelps

Location of study: Meyer Building, 6 Washington Place, Room 890

Specific requirements:

Must be between 18-35 years old; Must speak English; Must NOT be pregnant; Must NOT be currently taking any psychoactive medications; Must NOT have any major medical disorders; Must NOT have any irregularities in heart rate or blood pressure

Type of activity:

In this study, you will do a computer task in which you make decisions, and you will fill out some questionnaires. You may also undergo a (mild to moderate) stressor. You will provide us with saliva samples throughout the experiment for assessment of stress hormones.

Approximate length of time: 1 hour

Remuneration: You will be paid $15 per hour for your participation, and you may also be paid more (up to $10), depending on your performance in the computer task.
