NEW YORK UNIVERSITY
DEPARTMENT OF PSYCHOLOGY

PAID STUDY - Must be 18-35 years old.

Name of study: Image Processing and Rest

Purpose of study: To investigate the neural processes involved in the evaluation of emotional and neutral images

Name of experimenter: Ulrike Rimmele, Ph.D.

Name of faculty supervisor: Elizabeth A. Phelps, Ph.D.

Location of study: Meyer Building, 6 Washington Place, Room 890

Specific requirements:
Normal vision (contacts are ok – tell us if you wear glasses).
No prior participation in experiments with emotional images

Type of activity:
You will view emotional and non-emotional images on a computer screen, respond to these images by pressing buttons on a keyboard, rest in a chair without falling asleep, and complete a questionnaire. Additionally, you will be asked to have your skin conductance response recorded.

Approximate length of time: 3 hours

Remuneration: $10/hour

Contact information:
Name: Jessica Dalrymple
