NEW YORK UNIVERSITY
DEPARTMENT OF PSYCHOLOGY

PAID STUDY -- Must be 18 years or older.

Name of study: Virtual Reality Learning and Emotion

Purpose of study: This experiment explores the effect of learning and emotion using virtual reality.

Experimenter: Marijn Kroes and Joseph Dunsmoor

Faculty Supervisor: Elizabeth Phelps

Location of study: Meyer Building, 6 Washington Place, Room 890

Specific Requirements:
Eligible participants are 18 to 35 years old, psychologically healthy, and NOT currently taking psychoactive medication. Eligible participants should NOT have a past history if experiencing high levels of motion sickness when riding in cars or when being on boats.

Type of Activity:
Experiencing visually simulated virtually real rooms using Oculus Rift goggles, having non-invasive physiological recordings (eye movement and skin conductance), receiving mild electrical shocks on the wrist, and filling out questionnaires.

Approximate length: 1 session, max. 1 hour. *A possible total of 3 sessions on 3 consecutive days is the maximum for this study.

Payment: You will be paid $15/hour (if 3 sessions, $45 total upon completion).
